Getting Started

There are no rules when creating your Picture Perfect Diary. You can design it anyway you like. Below are some simple tips and suggestions to help you out. Decide what photos and items are going into your diary and keep your memories fresh with funky stickers, frames, markers & more!

- 1** Gather your favorite photos and other memorabilia (ticket stubs, autographs, etc.) that you want to include in your photo diary.

- 2** You can decorate the pages in the diary or insert photos and scrapbook pages into the clear photo sleeves. Lay your pages out however you want. Glue the punch-out frames around your favorite pictures to make them stand out.

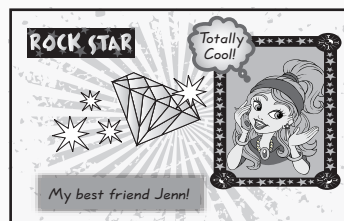

- 3** Personalize your pages with stickers, punch-out borders, and stamp n' roll markers.

Now you have your own Picture Perfect Diary!

DESIGN TIPS

There are many ways to make your photo diary unique. Here are some fun tips.

Write captions or special memories on a piece of colored paper.

- ★ Glue rhinestones or glitter (not included) to your pages for extra sparkle!
- ★ Use household items like buttons or ribbons to create a unique style.
