Make a Splash With Your Own Colorful Creations!

This set includes: 50 Splash Beads, 155 Spacer Beads, 2 Pair of Earring Clips, 3 Necklace Closures, Beading Elastic & Instructions

3 Easy Steps to Color Splash Jewelry:

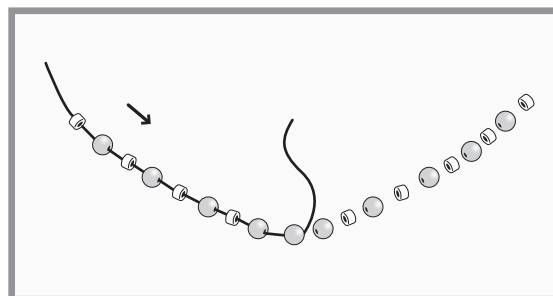

1

Decide which piece of jewelry you are going to make, then lay out the beads in a pattern you like. Remember, the more colorful the better!

2

String the beads onto the elastic in the order you laid them out.
HINT: Do not trim the elastic or ribbon until you have strung the beads.

3

If you made a necklace, thread each end of the elastic into the two parts of the closure. Make sure the two pieces are facing out so they can be snapped together. Make a knot in each end to hold the closure on.
