

Wood Frames & Desk Set

Create your own keepsakes!

With this kit you can design colorful frames and desktop items with paint, glitter and gems to make your favorite photos extra special. Keep the projects for yourself or share with a friend.

About the Paints

Your Wood Picture Frame & Desk Set comes with two types of paints. It comes with 2 **poster paints** which can be used to apply a color to unfinished wood. The star-shaped jewelry box is the only item that needs to be painted with the poster paints. This kit also comes with 3 **dimensional paints** which can be used to decorate and add detail to any of your projects.

IN THIS KIT

- 3 wood picture frames
- 1 star-shaped jewelry box
- 1 wood pencil holder
- 2 poster paints
- 3 dimensional paints
- 1 paintbrush
- 1 glitter glue
- assorted gems
- instruction sheet

Decide which project you want to design and lay it in front of you.

1

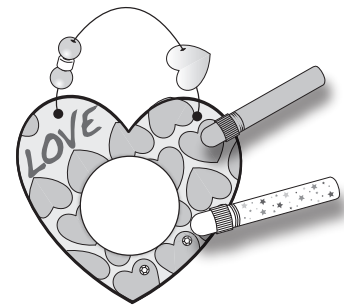

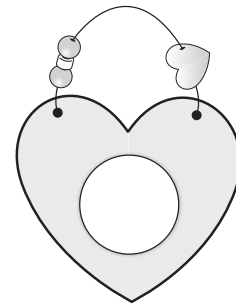

NOTE: If you choose the star-shaped jewelry box, begin by painting it with the poster paints. Let dry completely before moving to step 2.

2

Decorate using the dimensional paints. After the paint has dried you can add glitter glue and gems to your frame. Use the glitter glue to apply the gems. Let dry completely.

3

If making a frame, now you can choose your favorite photo and insert it into the slot on the top!

Now you have your own Painted Wood Frames & Desk Set!

TIPS for FIXING MISTAKES

If the paint is wet,

you can remove paint using a damp swab stick.

If the paint is dry,

you can remove paint by carefully scratching off small amounts with a toothpick.
