

Color Splash Umbrella

IN THIS KIT

1 umbrella
5 mini permanent markers
instruction sheet

Turn a rainy day into a FUN day!

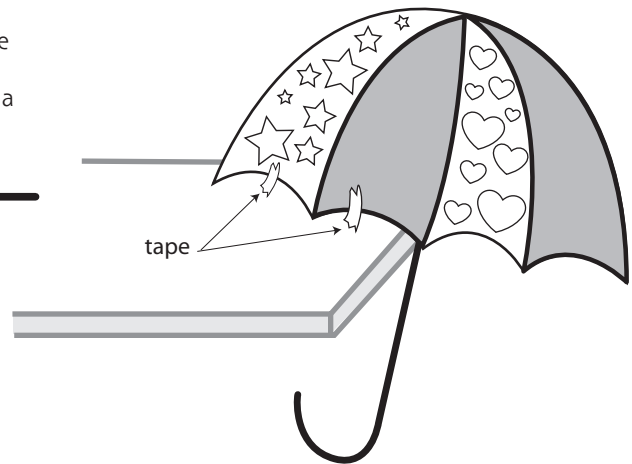

With this kit you can create a unique umbrella to keep you dry. Using our special permanent markers you can color your umbrella and the ink won't run.

Decorating Your Umbrella

- 1** Find a comfortable, spacious area to work. Open the umbrella and rest it on the ledge of your working surface letting the umbrella hang. Tape the umbrella to your workspace to hold it in place.

- 2** Fill in the outlined illustrations using any colors you choose! Let ink dry before taking your umbrella out into the rain.

NOTE: The markers are permanent and may stain fabric and other porous surfaces. Be sure to protect your clothing and workspace.

Now you have your own Color Splash Umbrella!
